

Aspen Lounge Chair

Featuring a clean-cut silhouette defined by a formed oak plywood seat and a powder coated steel base. The relaxed curve of the seat and arms, and exposed laser cut rolled rails at its base drive a visual tension between soft and hard. A generous seat with a compact footprint make this chair ideal for use in commercial environments and tight spaces within the home.

CARE/CLEANING INSTRUCTIONS

Wipe with damp cloth for cleaning. Do not use abrasive cleaning products or materials. Keep away from direct sunlight and sources of direct heat as these can cause cracking or warping. Keep dry and avoid excessive exposure to humidity and moisture as this can also cause cracking or warping. If using in a bathroom; ensure it is well ventilated. Avoid placing anything on the item that may damage the surface.
