

Anglepoise 90 Mini Mini USB Desk Lamp

Turn on the light, and the quintessentially British charm in the flick of a switch with the cute, compact Mini Mini Lamp. This iconic Anglepoise Lamp's perfectly balanced modernist form, and cheeky anthropomorphic demeanour will brighten your mood, and light up your home. Featuring a long-life, dimmable, low-energy LED module integrated into the shade will provide focused light for up to 20,000 hours. The lamp is powered by USB for enhanced portability and it's hyper flexible. You can plug it into your laptop, a portable battery, or simply plug it into the wall using an iPhone charger. The shade fully rotates and tilts up and down and the whole light assembly swivels full circle on its base.
