

PRE-LAMB CHECK LIST

Planning today - To pay dividends tomorrow.

Not only does Farmlands have all the products you need, we'll also make sure you're giving your lambs the best start, from a total farm perspective. **Whether it's vaccines, feed or how to get the best from your pasture – we've got the products and advice to give you a full-package solution.**

Use the checklist below to work out which treatments and supplements your ewes will need this season.
