# L table

The strong lines of the L Table are juxtaposed with the warmth of natural oak. The top wraps tightly over both ends of the base, creating the table's signature L-shape silhouette. The negative detail that runs the length of the table finely separates the top from the base. Made with solid American white oak and finished with a clear matte lacquer. There are six standard sizes in the range with custom options also available. The table comes fully assembled. Part of the David Moreland Design collection. Made to order in New Zealand.

## MATERIAL

American White Oak, finished with a matt clear, two pot lacquer.
