

# CITTÀ

## point floor lamp

---

### product information document

The Point Floor Lamp is the result of a collaboration between product designer Alex Buckman and Città's 3D design team, David Moreland and Nikolai Sorensen.

The unique lamp makes a statement with its spherical hand-blown glass shade and pared-back aesthetic. The lamp emits an ambient light from the clear or clear, grey shade. The steel column has an integrated switch at the top allowing you to dim the light.

# point floor lamp

## material

Mild Steel | Glass

## colour

Smoke Grey Glass

EBL0008FL

Clear Glass

EBL0007FL

dimensions packaged Glass Sphere + Base Plate: 37.6 x 37.6 x 45 cm (h)

Lamp Stand: 149.5 x 55 x 45 cm (h)

dimensions assembled  $\varnothing 30$  x 150 cm (h)

weight packaged Glass Sphere + Base Plate: 6.98 kg

Lamp Stand: 0.88 kg

weight assembled Glass Sphere + Base Plate: 2.32 kg

Lamp Stand: 0.18 kg

## specifications

Integrated 2 W 2700k LED Lightsource

Lumen rating: 45 LM

Cable Length: 150cm

Plug: Yayao LED Driver, Model #YM12WO350PEU

In Line Switch: Yayao Constant Current Dimmer, Model #YM24VRD350A

On/Off and dimmer switch integrated into top of stem

LED has a 50,000 hour expected lifespan

Not IP rated for bathroom or wet area use

When assembling the light, please ensure it is not plugged in or turned on

To connect the pole to the base, rotate the thread clockwise until the pole sits flush with the base

Place the glass shade on the collar, then wind on the threaded top cap until it is flush with the glass

There might be a small amount of movement in the glass once complete. This is intentional for movement if bumped

3 year warranty

## care instructions

Carefully clean with a warm damp cloth. Refer to Point lighting range cleaning guide.

## assembly

Assembly required.
