CARE INSTRUCTIONS

Remove any small marks by spot cleaning with a clean damp cloth or paper towel, if further care is needed please refer to the cleaning requirements of your specific fabric. We do not recommend using any fabric protector treatments, but if you do please ensure its water based. Pilling may occur occasionally as a result of normal daily wear and should not be considered as a fault. Fibre pills can be removed by a battery operated pilling tool available from most haberdashery stores. Vacuum on low suction using a soft upholstery attachment and avoid direct sunlight.
