Plinth Bedside

Product Information Document

The Plinth Bedside considers compact spaces with its slender design. The bedside measures a convenient 35cm-wide, making it ideal for apartment living and smaller bedrooms.

Provides functional storage solutions with a top drawer and either a left-opening cupboard (best for the left-hand side of the bed), or a right-opening cupboard (best for the right-hand side of the bed). Stow and access items with the sleek push-to-open technology and Hafele drawer-runners.

Designed in our New Zealand studio by David Moreland and Nikolai Sorensen.
