aspen upholstered loung chair

Balanced proportions, fluid lines and simplicity are at the core of the Aspen Lounge Chair's design. Elegant yet robust, this fully customisable lounge chair is a modern classic in the making. In its most minimal interpretation, the chair has a clean-cut silhouette defined by a formed oak plywood seat and a powder coated steel base. The relaxed curve of the seat and arms, and unapologetically exposed laser cut rolled rails at its base drive a tempting visual tension between soft and hard. This mindfully distributed chair features a generous seat with a surprisingly compact footprint, ideal for use in commercial environments and tight spaces within the home. Available in a wide range of premium fabrics to complement any interior, or make a statement of its own.

MATERIAL

Frame: Plywood/Metal

Black
FWL0073
(Base only)

WEIGHT

Assembled 13kg

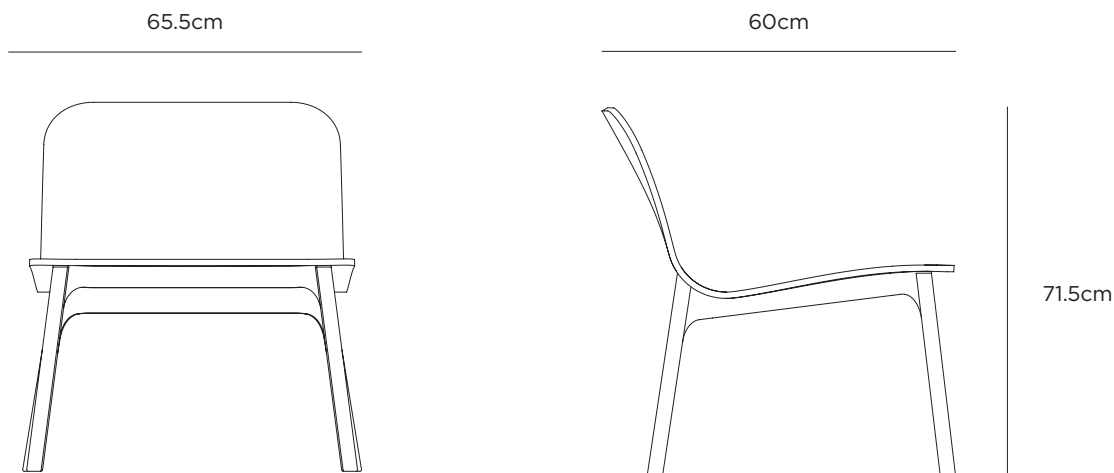

DIMENSIONS

Assembled 65.5x60x71.5cmh

FABRIC

Please refer to "*Fabric Specifications PDF*" for fabric options.

Fabric Required: 1.4m

ASSEMBLY REQUIRED

No
