CITTÀ

aiko sofa

Comfort and style come together in the practical design of the Aiko Sofa. It boasts generous proportions with unique sled legs to give the sofa a slight lift while keeping its form firmly grounded. The sofa is designed to sit with the wider Aiko custom-made furniture collection. The collection is fully modular with a myriad of possible combinations and dimensions across the range of chairs, chaise, ottoman and coffee table options.

Designed in our New Zealand studio by David Moreland and Nikolai Sorensen and made locally in your choice of configuration and fabric. The images on our website are an overview of the available options - additional fabric swatches can be viewed in the product and fabric specification section.

COMPOSITION

Frame: Solid Pine/MDF/Steel/Webbing

Legs: Powder Coated Mild Steel

Feather Wrap: 50% Feather/50% Fibre with 100% Cotton Down Proof Outer

FWL0100	Scatter Cushion	60x30cmh	Fabric Required: 0.7m

ASSEMBLY

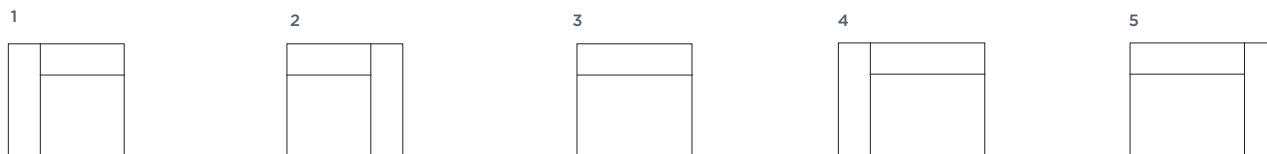

Assembly not required.

CARE/CLEANING INSTRUCTIONS

Regularly plump and turn any feather filled cushions to ensure that they retain their shape. With any fixed components smooth over the fabric with your hands and pull back into the correct shape and alignment. Remove any small marks by spot cleaning with a clean damp cloth or paper towel, if further care is needed please refer to the cleaning requirements of your specific fabric. We do not recommend using any fabric protector treatments, but if you do please ensure its water based. Pilling may occur occasionally as a result of normal daily wear and should not be considered as a fault. Fibre pills can be removed by a battery operated pilling tool available from most haberdashery stores. Vacuum on low suction using a soft upholstery attachment and avoid direct sunlight. Please consult the care label attached to your furniture for general cleaning information.

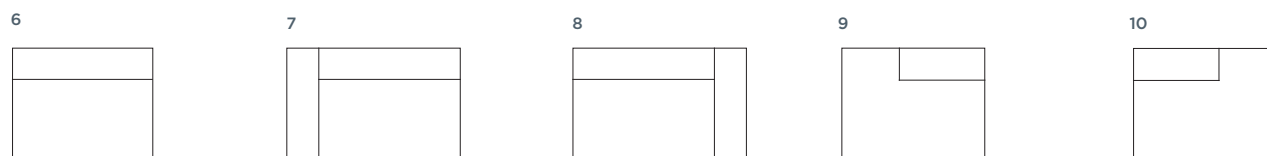

CHAIR

1	FWL0089L	Corner Unit Frame	95x95x74cmh	Fabric Required: 6.5m
