horizon side table

Complete your living space with the Horizon Side Table. The seamless connection between the tabletop and curved legs gives the table a fluid, balanced feel and effortless elegance. The table features a solid American ash base combined with an ash veneer top. Designed in our New Zealand studio by David Moreland and Nikolai Sorensen.

WEIGHT

Packaged	6.3 kg
Assembled	5.3 kg

DIMENSIONS

Packaged	55x55x50cmh
Assembled	50cmdia x 45cmh

ASSEMBLY REQUIRED

No

CARE INSTRUCTIONS

Clean with a soft damp cloth and water only. Do not use chemical cleaners on any surfaces. Avoid leaving water sitting on the wood as this can cause small spots and permanent marks - wipe immediately with a dry cloth. Wipe the lacquered surface using straight strokes not in a circular direction. After wiping the area use a dry cloth to remove any moisture left on the surface. General care: We do not recommend placing your furniture in direct sunlight or near sources of heat. This is due to the natural characteristics of wood as it expands and contracts with changes in humidity. Placing your furniture in these environments may cause the timber to dry out; shrink and crack. Do not place hot or sharp objects on the surface of the wood as this can cause irreparable damage. Also avoid using any harsh solvents such as nail polish remover/alcohol at all times.
