CARE INSTRUCTIONS

Wipe with damp cloth for cleaning. Do not use abrasive cleaning products or materials. Keep away from direct sunlight and sources of direct heat as these can cause cracking or warping. Keep dry and avoid excessive exposure to humidity as this can also cause cracking or warping. Ensure it is well ventilated if using in the bathroom. Avoid placing anything on the item that may damage the surface. When shifting do not drag pull or push the item as this puts stress on certain areas. Lift from both sides and carry with care before placing it down again evenly.
