

Yuki Bedside

'Yuki' is the Japanese word for snow. The name evolved from the collection's combination of white and slender timber details. Its strong horizontal and vertical forms reference the repetitive division of a traditional Japanese Shoji screen. The collection is specifically designed for the bedroom, comprised of three products, a bedside, lowboy and tallboy. Each piece is made out of American white oak veneer frames with matte white PU lacquered drawer faces. The front profile appears clean and minimal, incorporating a touch pop out drawer mechanism.

Designed in New Zealand by Città

MATERIAL

American Oak/ MDF

FINISH

White/ Natural MIT0056BS

DIMENSIONS

Packaged	66.5x46x50cmh
Assembled	60x40x50cmh

ASSEMBLY

Assembly not required

WEIGHT

Packaged	29.57kg
Assembled	25.57kg

CARE/CLEANING INSTRUCTIONS

Clean with a soft damp cloth and water only. Do not use chemical cleaners on any surfaces. Avoid leaving water sitting on the wood as this can cause small spots and permanent marks - wipe immediately with a dry cloth. Wipe the lacquered surface using straight strokes not in a circular direction. After wiping the area use a dry cloth to remove any moisture left on the surface. General care: We do not recommend placing your furniture in direct sunlight or near sources of heat. This is due to the natural characteristics of wood as it expands and contracts with changes in humidity. Placing your furniture in these environments may cause the timber to dry out; shrink and crack. Do not place hot or sharp objects on the surface of the wood as this can cause irreparable damage. Also avoid using any harsh solvents such as nail polish remover/alcohol at all times.
