CARE INSTRUCTIONS

To clean, wipe with a damp cloth. Do not use abrasive cleaning products or materials. Keep away from direct sunlight and sources of direct heat, as these can cause cracking or warping. Keep dry and avoid excessive exposure to humidity, as this can also cause cracking or warping. Not recommended for bathroom use, however if doing so, ensure it is well ventilated. We recommend only doing this temporarily. Load bearing capacity: approx. 5kg. Avoid placing anything on the item that may damage the surface. Lift from both sides and carry with care before placing it down again evenly.
