Packaged

68x45x93cmh

Assembled

52x48x75cmh

ASSEMBLY

Assembly not required

WEIGHT

Packaged

8.1kg

Assembled

6.0kg

CARE/CLEANING INSTRUCTIONS

Clean with a soft damp cloth and water only. Do not use chemical cleaners on any surfaces. Avoid leaving water sitting on the wood as this can cause small spots and permanent marks - wipe immediately with a dry cloth. Wipe the lacquered surface using straight strokes not in a circular direction. After wiping the area use a dry cloth to (remove buff) remove any moisture left on the surface. We do not recommend placing your furniture in direct sunlight or near sources of heat. This is due to the natural characteristics of wood as it expands and contracts with changes in temperature and humidity. Placing your furniture in these environments may cause the timber to dry out; shrink; warp or crack. Do not place hot or sharp objects on the surface of the wood as this can cause irreparable damage. Also avoid using any harsh solvents such as nail polish remover / alcohol at all times.
