

Low Hut Stool

The American Oak Low Stool appears deceptively simple. Look closely though, to appreciate its exquisite artisan detailing, like precise double bridle joints.

MATERIAL

Natural Oak

COLOUR

Natural Oak SNP0071

DIMENSIONS

Packaged	50x50x46cmh
Assembled	37cmdia x 43cmh

ASSEMBLY

Assembly not required

WEIGHT

Packaged	5.2kg
Assembled	4.4kg

CARE/CLEANING INSTRUCTIONS

Clean with a soft damp cloth and water only. Do not use chemical cleaners on any surfaces. Avoid leaving water sitting on the wood as this can cause small spots and permanent marks - wipe immediately with a dry cloth. Wipe the lacquered surface using straight strokes not in a circular direction. After wiping the area use a dry cloth to remove any moisture left on the surface. General care: We do not recommend placing your furniture in direct sunlight or near sources of heat. This is due to the natural characteristics of wood as it expands and contracts with changes in humidity. Placing your furniture in these environments may cause the timber to dry out; shrink and crack. Do not place hot or sharp objects on the surface of the wood as this can cause irreparable damage. Also avoid using any harsh solvents such as nail polish remover/alcohol at all times.
