eve sofa

The Eve Sofa has an elegant and timeless design. It features a fine profile, matte black steel legs, and feather and down cushions. The sofa is designed to stand alone or sit with the wider Eve custom-made furniture collection. The collection is fully modular with a myriad of possible combinations and dimensions across the range of sofas, armchairs, chaise and ottomans. Designed in our New Zealand studio by David Moreland and Nikolai Sorensen and made locally in your choice of configuration and fabric. The images on our website are an overview of the available options - additional fabric swatches can be viewed in the product and fabric specification section. Designed in New Zealand by Città.

CARE INSTRUCTIONS

Regularly plump and turn any feather filled cushions to ensure that they retain their shape, with any fixed components smooth over the fabric with your hands and pull back into the correct shape and alignment. Remove any small marks by spot cleaning with a clean damp cloth or paper towel, if further care is needed please refer to the cleaning requirements of your specific fabric. We do not recommend using any fabric protector treatments, but if you do please ensure its water based. Pilling may occur occasionally as a result of normal daily wear and should not be considered as a fault. Fibre pills can be removed by a battery operated pilling tool available from most haberdashery stores. Vacuum on low suction using a soft upholstery attachment and avoid direct sunlight.

Regular Care: Protect from direct sunlight. Vacuum regularly using low suction. Rotate reversible cushions regularly. Please consult the care label attached to your furniture for general cleaning information. Refer Care code #3 www.warwick.com.au
