Care Instructions

Avoid direct sunlight. Vacuum regularly using an upholstery attachment on low-suction. Rotate cushions regularly. All fabric stretches as part of the general wear process. Feathers may work through the fabric over time. Attend to spills immediately by soaking them up with a clean, absorbent, lint-free sponge or cloth. Gently dab; do not rub vigorously. If cleaning products are required, consult a furniture cleaning specialist. We do not recommend using any fabric protector treatments, as this voids your fabric warranty. Please note, all fabric warranties are with the fabric supplier. Città sofas have a 5-year warranty that covers the frame and fill.
