

CITTÀ

point modular floor lamp

product information document

The Point Modular Floor Lamp is the result of a collaboration between product designer Alex Buckman and Città's 3D design team, David Moreland and Nikolai Sorensen.

The unique lamp makes a statement with its spherical hand-blown glass shade and pared-back aesthetic. The lamp emits an ambient light from the amber or smoke grey shade. The steel column has an integrated switch at the top allowing you to dim the light.

point modular floor lamp

material

Mild Steel | Glass

colour

Smoke Grey Glass

EBL0011FLU

Amber Glass

EBL0012FLU

dimensions packaged	15.7 x 15.7 x 41.7 in. (h)
dimensions assembled	ø11.8 x 68.1 in. (h) (assembled lamp cannot exceed 68.1 in. high).
weight packaged	35.4 lb
weight assembled	16.8 lb

specification

- Integrated 2.5 Watt 2700k LED Lightsource
- Lumen rating: 45 LM | 120VAC | Max. 9 Watts
- Cable Length: 59 in.
- Plug: Xing Yuan LED Adapter Model #XY12J-2400500Q-ZW
- In Line Switch: Openwise step switch, Model #317
- On/Off floor switch attached from base
- LED has a 50,000 hour expected lifespan
- Not IP rated for bathroom or wet area use
- When assembling the light, please ensure it is not plugged in or turned on
- To connect the pole to the base, rotate the thread clockwise until the pole sits flush with the base
- Place the glass shade on the collar, then wind on the threaded top cap until it is flush with the glass
- There might be a small amount of movement in the glass once complete. This is intentional for movement if bumped
- 3 year warranty

care instructions

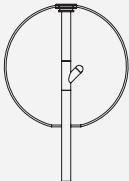

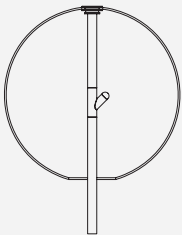

Carefully clean with a warm damp cloth.
Refer to Point lighting range cleaning guide.

assembly

Assembly required.

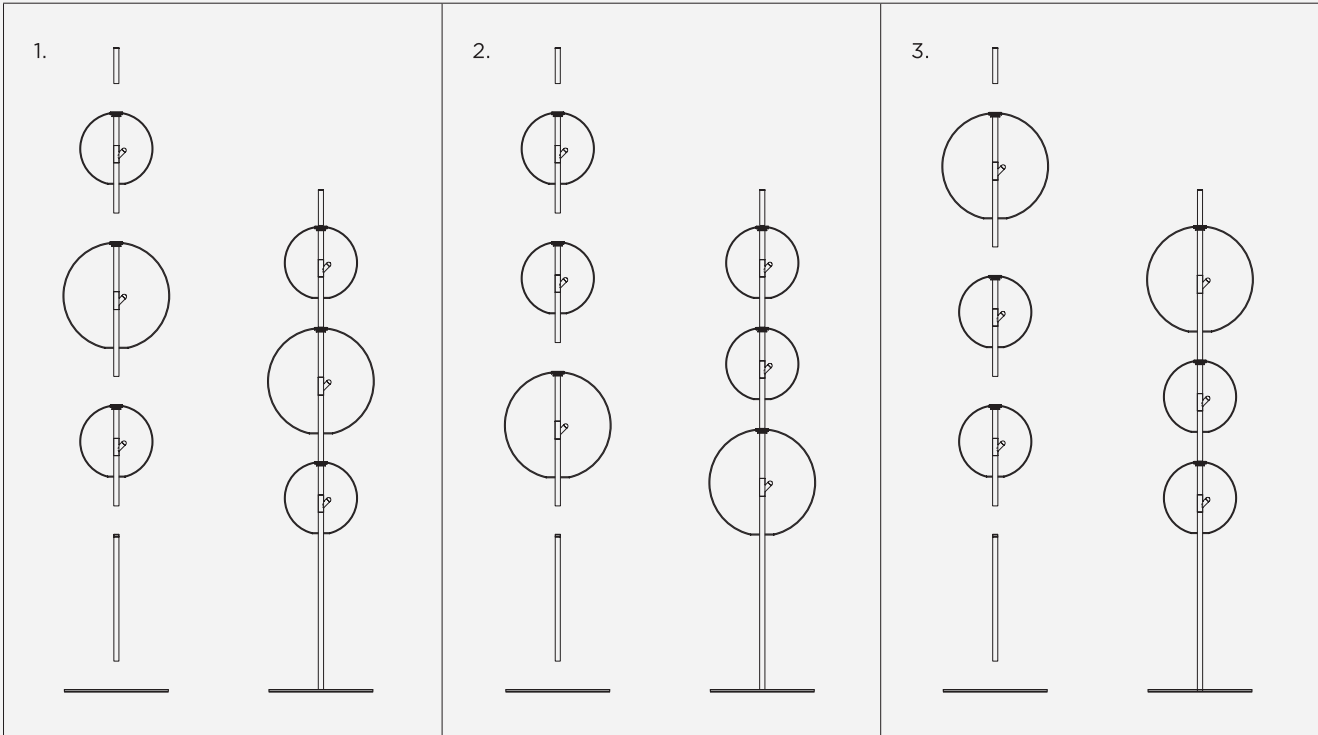

point modular floor lamp
