

CITTÀ

point floor lamp

product information document

The Point Floor Lamp is the result of a collaboration between product designer Alex Buckman and Città's 3D design team, David Moreland and Nikolai Sorensen.

The unique lamp makes a statement with its spherical hand-blown glass shade and pared-back aesthetic. The lamp emits an ambient light from the clear or clear, grey shade. The steel column has an integrated switch at the top allowing you to dim the light.

point floor lamp

material

Mild Steel | Glass

dimensions packaged Glass Sphere + Base Plate: 14.8 x 14.8 x 17.7 in. (h)

Lamp Stand: 58.9 x 21.7 x 17.7 in. (h)

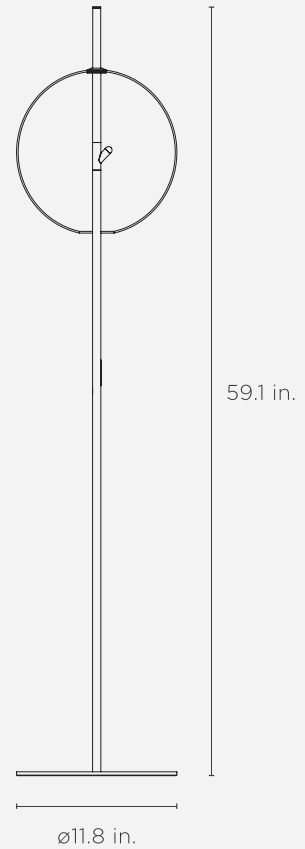

dimensions assembled ø11.8 x 59.1 in. (h)

weight packaged Glass Sphere + Base Plate: 15.4 lb

Lamp Stand: 1.9 lb

weight assembled Glass Sphere + Base Plate: 5.1 lb

Lamp Stand: 0.4 lb

specification

- Integrated 2.5 Watt 2700k LED Lightsource
- Lumen rating: 45 LM | 120VAC | Max. 2.5 Watts
- Cable Length: 59 in.
- Plug: Xing Yuan LED Adapter Model #XY12J-2400500Q-ZW
- On/Off & dimmer switch integrated into top of stem
- LED has a 50,000 hour expected lifespan
- Not IP rated for bathroom or wet area use
- When assembling the light, please ensure it is not plugged in or turned on
- To connect the pole to the base, rotate the thread clockwise until the pole sits flush with the base
- Place the glass shade on the collar, then wind on the threaded top cap until it is flush with the glass
- There might be a small amount of movement in the glass once complete. This is intentional for movement if bumped
- 3 year warranty

care instructions

Carefully clean with a warm damp cloth. Refer to Point lighting range cleaning guide.

assembly

Assembly required.
