point modular pendant

product information document

The Point Modular Pendant is the result of a collaboration between product designer Alex Buckman and Città's 3D design team, David Moreland and Nikolai Sorensen. Awarded a Gold Pin at New Zealand's prestigious Best Design Awards in 2020.

The unique pendant makes a statement with its spherical hand-blown glass shade and pared-back aesthetic. The modular design gives you the ability to create a lighting configuration customised to your space. The shade is crafted by skilled artisans using traditional glass-blowing techniques. In the elaborate process, molten glass is handled on the end of a blowpipe and then mouth-blown into a fixed-shaped mould. This handcrafted nature may create some variations in colour.

specification

- Integrated 2700k LED Lightsource non dimmable
- Lumen rating: 45 LM | 120VAC | Max. 9 Watts
- Cable Length: 98.4 in. | Ceiling Rose: \varnothing 4.8 x 1.6 in.
- Guanzin Constant Voltage LED Driver Model #AED18-2400750VDCWO
- 3 year warranty
- LED has a 50,000 hour expected lifespan
- Not IP rated for bathroom or wet area use
- When connecting the extensions, please ensure the pendant light is turned off at the wall
- Remove end cap when connecting the extension
- To connect, rotate the thread clockwise until the extension pole sits flush with the pendant pole
- A max. of three large or small extension can be connected to the pendant, totalling a string of four lights
