

CITTÀ

Label Armchair - Low Back

Product Information Document

Form meets function in the design of the low back Label armchair. The refined, wrap-around frame elegantly cradles the seat and envelopes the sitter to provide generous, supportive comfort. The design considers residential and commercial spaces. There are three fabric finishes (ecru, beige or olive) for immediate shipping or choose to customise with a fabric of your choice. BIFMA-tested for durability.

Designed in our New Zealand studio by David Moreland and Nikolai Sorensen.

Label Armchair - Low Back

Material

74 x 69 x 73 cm(h)

Weight

12 kg

Weight (Frame Only)

11 kg

No Assembly Required.

Care Instructions

Dampen cloth in a solution of water and a neutral detergent and wipe clean. Remove soap residue immediately using a clean dry cloth. Do not use scouring pads or scouring cream as they may scratch the surface. Do not use cleaning products containing alcohol as they may damage the surface. Remove any small marks by spot cleaning with a clean damp cloth or paper towel. If further care is needed please refer to the cleaning requirements of your specific fabric.

We don't recommend using any fabric protector treatments but if you do, please ensure it's water based. Pilling may occur occasionally as a result of normal daily wear and should not be considered as a fault. Fibre pills can be removed by a battery operated pilling tool available from most haberdashery stores. Vacuum on low suction using a soft upholstery attachment and avoid direct sunlight. Regularly plump and turn any feather filled cushions to ensure that they retain their shape. With any fixed components, smooth over the fabric with your hands and pull back into the correct shape and alignment.
