

Plinth Bedside Table

The Plinth Bedside considers compact spaces with its slender design. The bedside measures a convenient 35cm-wide, making it ideal for apartment living and smaller bedrooms. It provides functional storage solutions with a top drawer and right or left-opening lower cupboard. An adjustable shelf is fitted for personal preference. Stow and access items with the sleek push-to-open technology and Hafele drawer-runners.

Packaged	23.5kg
Assembled	21kg

CARE/CLEANING INSTRUCTIONS

Clean with a soft damp cloth and water only. Do not use chemical cleaners on any surfaces. Avoid leaving water sitting on the wood as this can cause small spots and permanent marks - wipe immediately with a dry cloth. Wipe the lacquered surface using straight strokes not in a circular direction. After wiping the area use a dry cloth to remove any moisture left on the surface. General care: We do not recommend placing your furniture in direct sunlight or near sources of heat. This is due to the natural characteristics of wood as it expands and contracts with changes in humidity. Placing your furniture in these environments may cause the timber to dry out; shrink and crack. Do not place hot or sharp objects on the surface of the wood as this can cause irreparable damage. Also avoid using any harsh solvents such as nail polish remover/alcohol at all times.
