

CITTÀ

Helix Coffee Table

Product Information Document

The Helix coffee table has a very accurately engineered aesthetic, yet it appears soft and light. The striking combination of a clean glass top paired with repetitive, asymmetrical legs immediately captures your attention.

The frame is available in either a white or black matte finish with a clear or smoke grey glass top. Part of the David Moreland Design collection available exclusively from Città.

Helix Coffee Table

No Assembly Required: Oak

Assembly Required: Glass

Care Instructions

Clean with a soft damp cloth and water. Wipe immediately with a dry cloth. Avoid leaving water sitting on the wood as this can cause small spots or permanent marks. Do not use chemical cleaners on any surfaces.
