Compound Sideboard

All elements of the Compound Tallboy work together in harmony to provide an elegant storage solution with four generously sized drawers.

Narrow shut-lines and push-to-open mechanisms give the tallboy a minimal, elegant aesthetic. The legs are made with solid dark oak. The body, doors and drawers are made with a combination of veneer and solid-edged board. Hettich drawer-runners allow you to access items with ease. Designed in our New Zealand studio by David Moreland.
