Compound Lowboy

All elements of the Compound Lowboy work together in harmony to provide an elegant storage solution with six generously sized drawers. Narrow shut-lines and push-to-open mechanisms give the lowboy a minimal, elegant aesthetic. The legs are made with solid American white oak. The body, doors and drawers are made with a combination of veneer and solid-edged board. Hettich drawer-runners allow you to access items with ease. Designed in our New Zealand studio by David Moreland and Nikolai Sorensen.

Care Instructions

Wipe clean using a warm damp cloth. Avoid leaving water sitting on the surface as this can damage the product. Avoid the use of scouring pads; scouring cream or cleaning products containing alcohol as they may cause damage. Avoid placing furniture next to a source of direct heat or in direct sunlight, these conditions can cause excessive dryness and potentially create cracks to components as well as irreversible changes to the colour of the timber.
