

CITTÀ

Dialogue Sofa

The Dialogue is a contemporary take on a classic sofa typology. The design embraces subtlety—elevated through elegant proportions and thoughtful detailing. A refined juxtaposition is created between the clean lines of the frame and the softness of its back and scatter cushions. The modular design allows for flexible configurations. The Dialogue is a collaboration between Città and acclaimed furniture designer Cameron Foggo.

Care Instructions

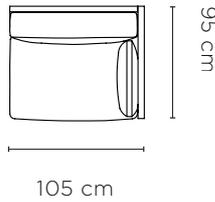

Avoid direct sunlight. Vacuum regularly using an upholstery attachment on low-suction. Rotate cushions regularly. All fabric stretches as part of the general wear process. Feathers may work through the fabric over time. Attend to spills immediately by soaking them up with a clean, absorbent, lint-free sponge or cloth. Gently dab; do not rub vigorously. If cleaning products are required, consult a furniture cleaning specialist. We do not recommend using any fabric protector treatments, as this voids your fabric warranty. Please note, all fabric warranties are with the fabric supplier. Città sofas are supported by a ten-year structural warranty for residential use and five years for commercial use.

Dialogue Component Assembly

The Dialogue sofa is connected using a locking system located on the base of each component. Locking components prevents parts of the configuration from moving around independently.

Lock Disconnected

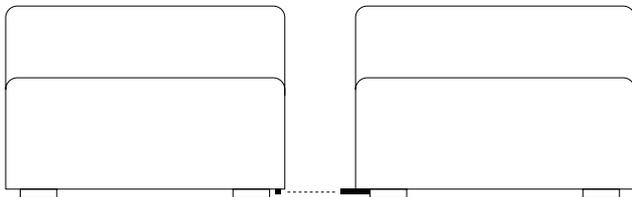

Lock Connected

Step 1

To connect two components, place each unit side by side aligning the male and female part of the lock.

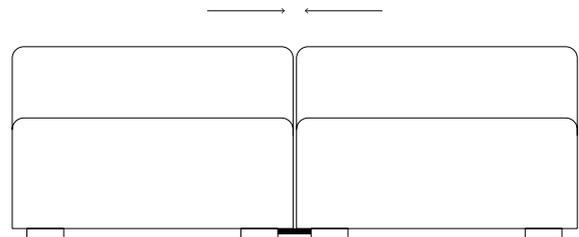

Each component has two male locks and two female locks on opposite sides of the sofa base.

Front View.

Step 2

Push units together engaging the locking system.
