# CITTÀ

Harakeke Coat Stand

—

Parts Included

| 1 x Stem	1 x Base Plate	1 x Hex Bolt	1 x Allen Key
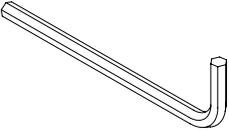

Step 1

—

Lay out all the parts. With the stem in a supported position on a table, slot the stem into the base plate.
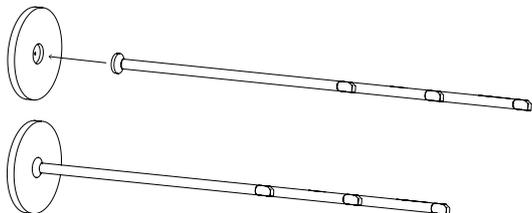

Step 2

—

Using the hex bolt and allen key, screw the base plate to the coat stand. Make sure the bolt is fixed tightly and securely.

Step 3

—

Position the coat stand upright.
