# assembly table

Create a modern dining setting with the Assembly Dining Table. The design features a precise and clean aesthetic with a slim plywood tabletop contrasted with black steel legs. The statement U-shaped legs connect to the floor with a discreet base plate and a tonal black rubber foot. The Assembly table range offers something for every space with two rectangle options, two round options, and Citta's first-ever desk. Designed in our New Zealand studio by David Moreland and Nikolai Sorensen.
