

ELLIPSE CONNECTION BAR

Installation Instructions

CITTÀ

ATTENTION

1. This product should only be installed by a registered electrician.
2. The LED light source contained in this luminaire should only be replaced with an official part from the supplier and installed by a registered electrician.
3. If the external cable or any other part is damaged it should only be replaced with an official part from the supplier and installed by a registered electrician.
4. Hang the middle pendant first, this will set the bar height for the other two pendants. Once the middle pendant is hung make sure you use a level to ensure the bar is hung perfectly straight.
