

Ellipse Light

The Ellipse pendant features a dimmable, 20 watt (3000k) warm white integrated LED light source. This is housed inside a removable, frosted matte white glass diffuser. Available in two colours (black and white), two sizes (small and large), and two heights (short and tall). In the 'short' version, the diffuser sits proud of the shade; in the 'tall' version, the diffuser nests inside the shade.

Ellipse Connection Bar

Create a series of three Ellipse Pendants with the Ellipse Connection Bar. The large bar is designed to accommodate three large Ellipse Pendants. The small bar is designed to accommodate three small Ellipse Pendants. Available in two colours (black and white). Please note, Ellipse Pendants are sold separately. Can be used with either the Tall or Short pendant shades.

The connection bar integrates into a range of settings and makes a strong statement when styled above a kitchen bench or dining table.

SPECS

To be fitted by a qualified electrician. Carefully clean with damp cloth.

The small connection bar fits the small ellipse lights (either short or tall).

The large connection bar is designed for the large ellipse lights (either short or tall).

Please note, the Connection Bar has been electrically tested to go with the Ellipse Pendant and is not certified for any other pendant light. If used with any other pendant light, Città's warranty will be immediately voided.
