column coffee table

The Column Coffee Table adds modern elegance to your living room. The design has a sculptural aesthetic with its round, two-tier form. The table is available in three colourways and also includes a Side Table option. Made with solid oak legs and finished with a clear matte lacquer. The tiered surfaces are made with clear toughened glass. Designed in our New Zealand studio by David Moreland and Nikolai Sorensen.

CARE INSTRUCTIONS

Clean with a soft damp cloth and water only. Do not use chemical cleaners on any surfaces. Avoid leaving water sitting on the wood as this can cause small spots and permanent marks - wipe immediately with a dry cloth. Wipe the lacquered surface using straight strokes not in a circular direction. After wiping the area use a dry cloth to remove any moisture left on the surface. General care: We do not recommend placing your furniture in direct sunlight or near sources of heat. This is due to the natural characteristics of wood as it expands and contracts with changes in humidity. Placing your furniture in these environments may cause the timber to dry out; shrink and crack. Do not place hot or sharp objects on the surface of the wood as this can cause irreparable damage. Also avoid using any harsh solvents such as nail polish remover/alcohol at all times.
