

CITTÀ

Point Modular Floor Lamp

The Point floor lamp is the result of a collaboration between product designer Alex Buckman and Città's 3D design team, David Moreland and Nikolai Sorensen.

The unique lamp makes a statement with its spherical hand-blown glass shade and pared-back aesthetic. The lamp emits an ambient light from the grey or amber shade. The steel column has an integrated switch at the top allowing you to dim the light.

Point Modular Floor Lamp

Material

Mild steel, Glass

Colour

Smoke Grey Glass
EBL0011FLU

Amber Glass
EBL0012FLU

Dimensions Packaged:	40 x 40 x 106 cmh
Dimensions Assembled:	ø30 x 175 cmh (assembled lamp cannot exceed 175 cm high)
Weight Packaged:	16.07 kg
Weight Assembled:	7.64 kg

Care Instructions

Carefully clean with a warm damp cloth.
Refer to Point lighting range cleaning guide.

Assembly Instructions

Assembly required. See instructions PDF.

Residential Warranty: 2 years

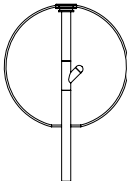

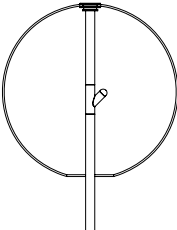

Commercial Warranty: 2 years

Specifications

- Integrated 2 W 2700k LED light source
- Lumen rating: 45 LM
- Cable Length: 150cm
- Plug: Yayao LED driver, Model #YM12WO350PEU
- In Line Switch: Yayao constant current dimmer, Model #YM24VRD350A
- On/Off floor switch attached from base
- LED has a 50,000 hour expected lifespan
- Not IP rated for bathroom or wet area use
- When assembling the light, please ensure it is not plugged in or turned on
- To connect the pole to the base, rotate the thread clockwise until the pole sits flush with the base
- Place the glass shade on the collar, then wind on the threaded top cap until it is flush with the glass
- There might be a small amount of movement in the glass once complete. This is intentional for movement if bumped
