

CITTÀ

Assembly Round Table

Product Information Document

Create a modern dining setting with the Assembly table. The design features a precise and clean aesthetic with a slim plywood tabletop contrasted with black steel legs. The statement U-shaped legs connect to the floor with a discreet base plate and a tonal black rubber foot. The Assembly table range offers something for every space with two rectangular options, two round options, and Citta's first-ever desk.

Designed in our New Zealand studio by David Moreland and Nikolai Sorensen.
