Horizon Side Table

Product Information Document

Complete your living space with the Horizon side table. The seamless connection between the tabletop and curved legs gives the table a fluid, balanced feel and effortless elegance.

In this updated design, the table features a solid oak base combined with a solid oak tabletop. The distinctive legs feature triangular joints that nest into each other to create a beautiful ribbon-like form.

Weight Assembled: 5.35 kg (oak) / 4.35 kg (walnut)

Residential Warranty: 3 years

Commercial Warranty: 3 years

No Assembly Required

Care Instructions

Clean with a soft damp cloth and water only. Avoid leaving water sitting on the wood as this can cause small spots and permanent marks - wipe immediately with a dry cloth.

Also, avoid using any chemicals or solvents such as nail polish remover/alcohol. Do not place hot or sharp objects on the surface of the wood as this can cause irreparable damage.

We do not recommend placing your furniture in direct sunlight or near sources of heat. This is due to the natural characteristics of wood as it expands and contracts with changes in humidity. Placing your furniture in these environments may cause the timber to dry out; shrink and crack. Direct sunlight can also cause irreversible colour damage to the product.
