CITTÀ

hem sofa

The Hem Sofa boasts stylish seating with clean lines and a robust silhouette. The sofa is designed to stand alone or sit with the wider Hem custom-made furniture collection. The collection allows for a myriad of possible combinations across the range of sofas, armchairs, chaise and ottomans. Available with either steel or solid wooden legs. Designed in our New Zealand studio by David Moreland and Nikolai Sorensen and made locally in your choice of size and fabric.

COMPOSITION

Frame: Solid Pine/MDF/Steel/Webbing.

Fill: Multi Grade Foam.

Legs: Powder Coated Mild Steel or Wood.

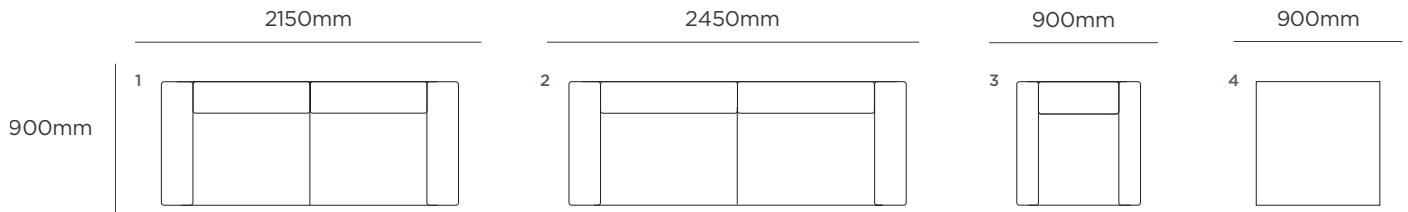

Fabric: Please refer to "*Fabric Specifications PDF*" for fabric options.

ASSEMBLY

Assembly not required.

CARE INSTRUCTIONS

Dampen cloth in a solution of water and a neutral detergent and wipe clean. Remove soap residue immediately using a clean dry cloth. Do not use scouring pads or scouring cream as they may scratch the surface. Do not use cleaning products containing alcohol as they may damage the surface. Remove any small marks by spot cleaning with a clean damp cloth or paper towel. If further care is needed please refer to the cleaning requirements of your specific fabric. We don't recommend using any fabric protector treatments but if you do please ensure its water based. Pilling may occur occasionally as a result of normal daily wear and should not be considered as a fault. Fibre pills can be removed by a battery operated pilling tool available from most haberdashery stores. Vacuum on low suction using a soft upholstery attachment and avoid direct sunlight. Regularly plump and turn any feather filled cushions to ensure that they retain their shape with any fixed components smooth over the fabric with your hands and pull back into the correct shape and alignment.
